

WRESTL

Under the leadership of Captain George Hanna and the able coaching of Sonny Weissman, the Tech wrestlers went through a ten meet schedule winning five, tying another, and taking a fifth in the Wheaton Invitational. Armour piled up a total of one hundred and ninety-one points against ninety-seven for her opponents. Losses were encountered with Wheaton, Beloit, and DeKalb, although in the case of Beloit, the meet hinged on the final match.

Hanna and Nigrelli each won seven of the nine matches in which they competed to take scoring honors for the season. Kaz-
