Welcome to Joomla!

If you've read anything at all about Content Management Systems (CMS), you'll probably know at least three things: CMS are the most exciting way to do business, CMS can be really, I mean really, complicated and lastly Portals are absolutely, outrageously, often unaffordably expensive.

Joomla! is set to change all that ... Joomla! is different from the normal models for portal software. For a start, it's not complicated. Joomla! has been developed for the masses. It's licensed under the GNU/GPL license, easy to install and administer and reliable. Joomla! doesn't even require the user or administrator of the system to know HTML to operate it once it's up and running.

The world can be a cruel and violent place. In many regions, people are exposed to bigotry, hatred, and warfare.

At Play for Peace, we teach people to be leaders for peace and how to live and play together in creating more peaceful communities.

PLAY FOR PEACE is a global organization, now in its 10th year, which brings together children, youth and organizations from communities in conflict. As part of our community development initiatives, we use play to promote relationships among people whose communities suffer from a history of cross-cultural tensions. Play is one of the primary ways that human beings learn. Come join us in our effort to create leaders for peace and nonviolent communities.

Dear Friends of Play for Peace, Last year Play for Peace implemented over 200,000 play days around the world, and this year will be even better. The RUSH fundraising event planned for autumn in Chicago will provide the foundation for organizing and implementing many such events in 2006. Please visit our RUSH web page. Then contact the Play for Peace office at 773-275-0077 to find out about opportunities.

Over time, these events will provide a large portion of the operating budget for Play for Peace. Also, having a consistent and reliable revenue stream will enable Play for Peace to make even greater progress in its mission to create a more peaceful world, one community at a time. Now more than ever, Play for Peace needs
