

I PRO 356

CONCERT HALL

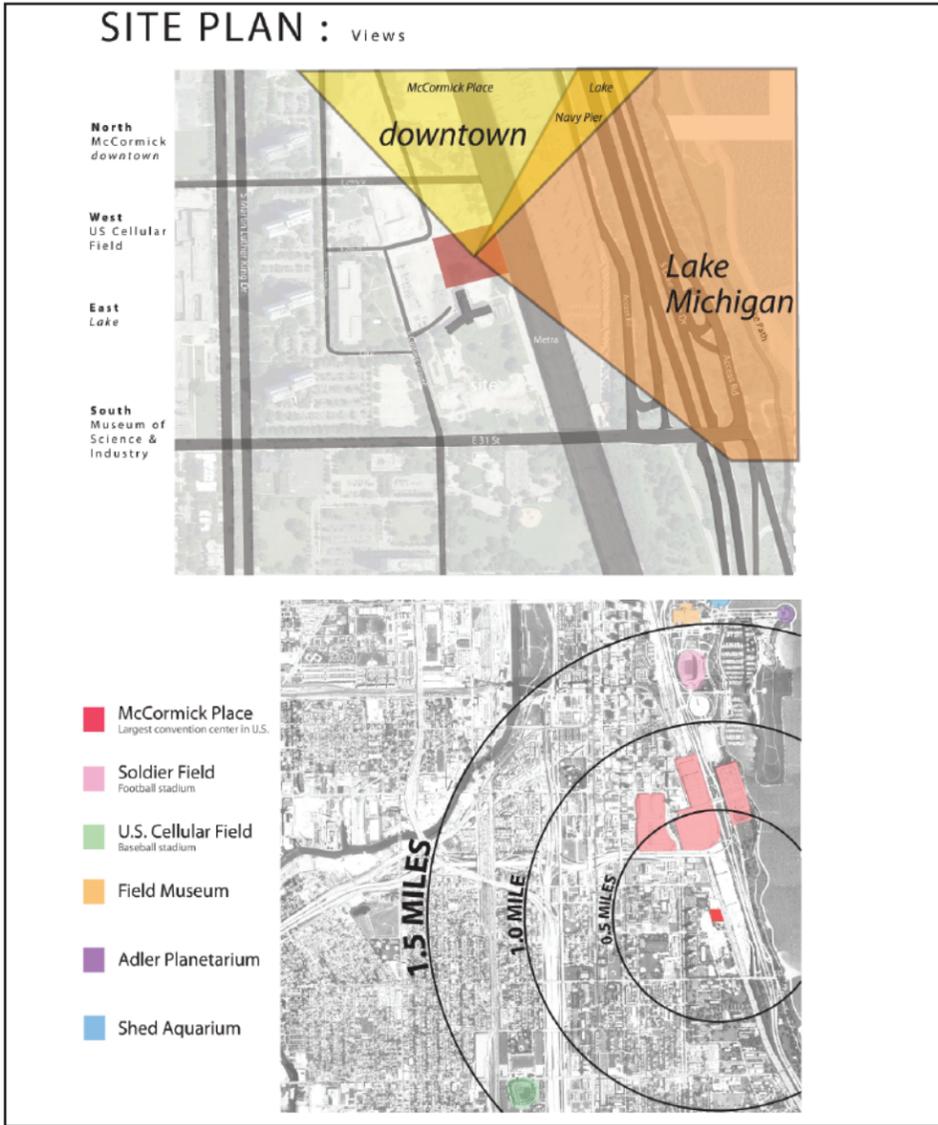

World class acoustics for a variety of music styles...

... with 3,400 seats!

The site is close to downtown Chicago, offering several views of the city

Exterior spaces provide several opportunities for social gathering spaces

Our amazing acoustics means...

Acoustics will be concert attendee's biggest factor for attending our concert hall

Our exceptional acoustics will attract several artists to perform at our venue

Our better acoustics cut down on our operational costs
