Pilsen - extroverted

"The area is grounded in a large network of community organizations, social service agencies, churches, schools, restaurants, bakeries, and parks, and Pilsen residents have proven to be committed to making room for incoming immigrants, a value that gives the neighborhood culture its true authenticity. The area is a haven for lovers of art, architecture, and Mexican food!

Bridgeport - introverted

"Today, Bridgeport is big on intimacy" "there is something undeniably familiar—even familial—about the neighborhood".
-Mostly residential.
