

BRIDGING THE GENERATIONS

BRIDGEPORT COMMUNITY CENTER

PROGRAM AXONOMETRIC

SITE

ROOF PLAN

THIRTY-FIRST STREET

THE CONCEPT OF THE PROJECT IS BREAKING DOWN THE EXISTING BARRIERS TO MAKE CONNECTIONS BETWEEN THE DIFFERENT GENERATIONS. THIS CREATES A TRULY UNITED COMMUNITY NOT JUST A NEIGHBORHOOD. EACH GENERATION HAS SOMETHING THAT THEY CAN BRING TO OTHERS BUT THIS RARELY HAPPENS BECAUSE EACH GENERATION NORMALLY ISOLATES THEMSELVES FROM THE OTHERS. THE COMMUNITY CENTER PROVIDES OPPORTUNITIES TO CREATE THESE CONNECTIONS THROUGH MUSIC, FITNESS, ART AND EDUCATION. THE YOUTH CAN TEACH THE ELDERLY ABOUT ELECTRONICS. ADULTS CAN HELP YOUTH WITH HOMEWORK. THE ELDERLY CAN TEACH THEIR HISTORY TO THE YOUNGER CHILDREN.
