

Innovative Mapping

Solution through CoaliiTion.

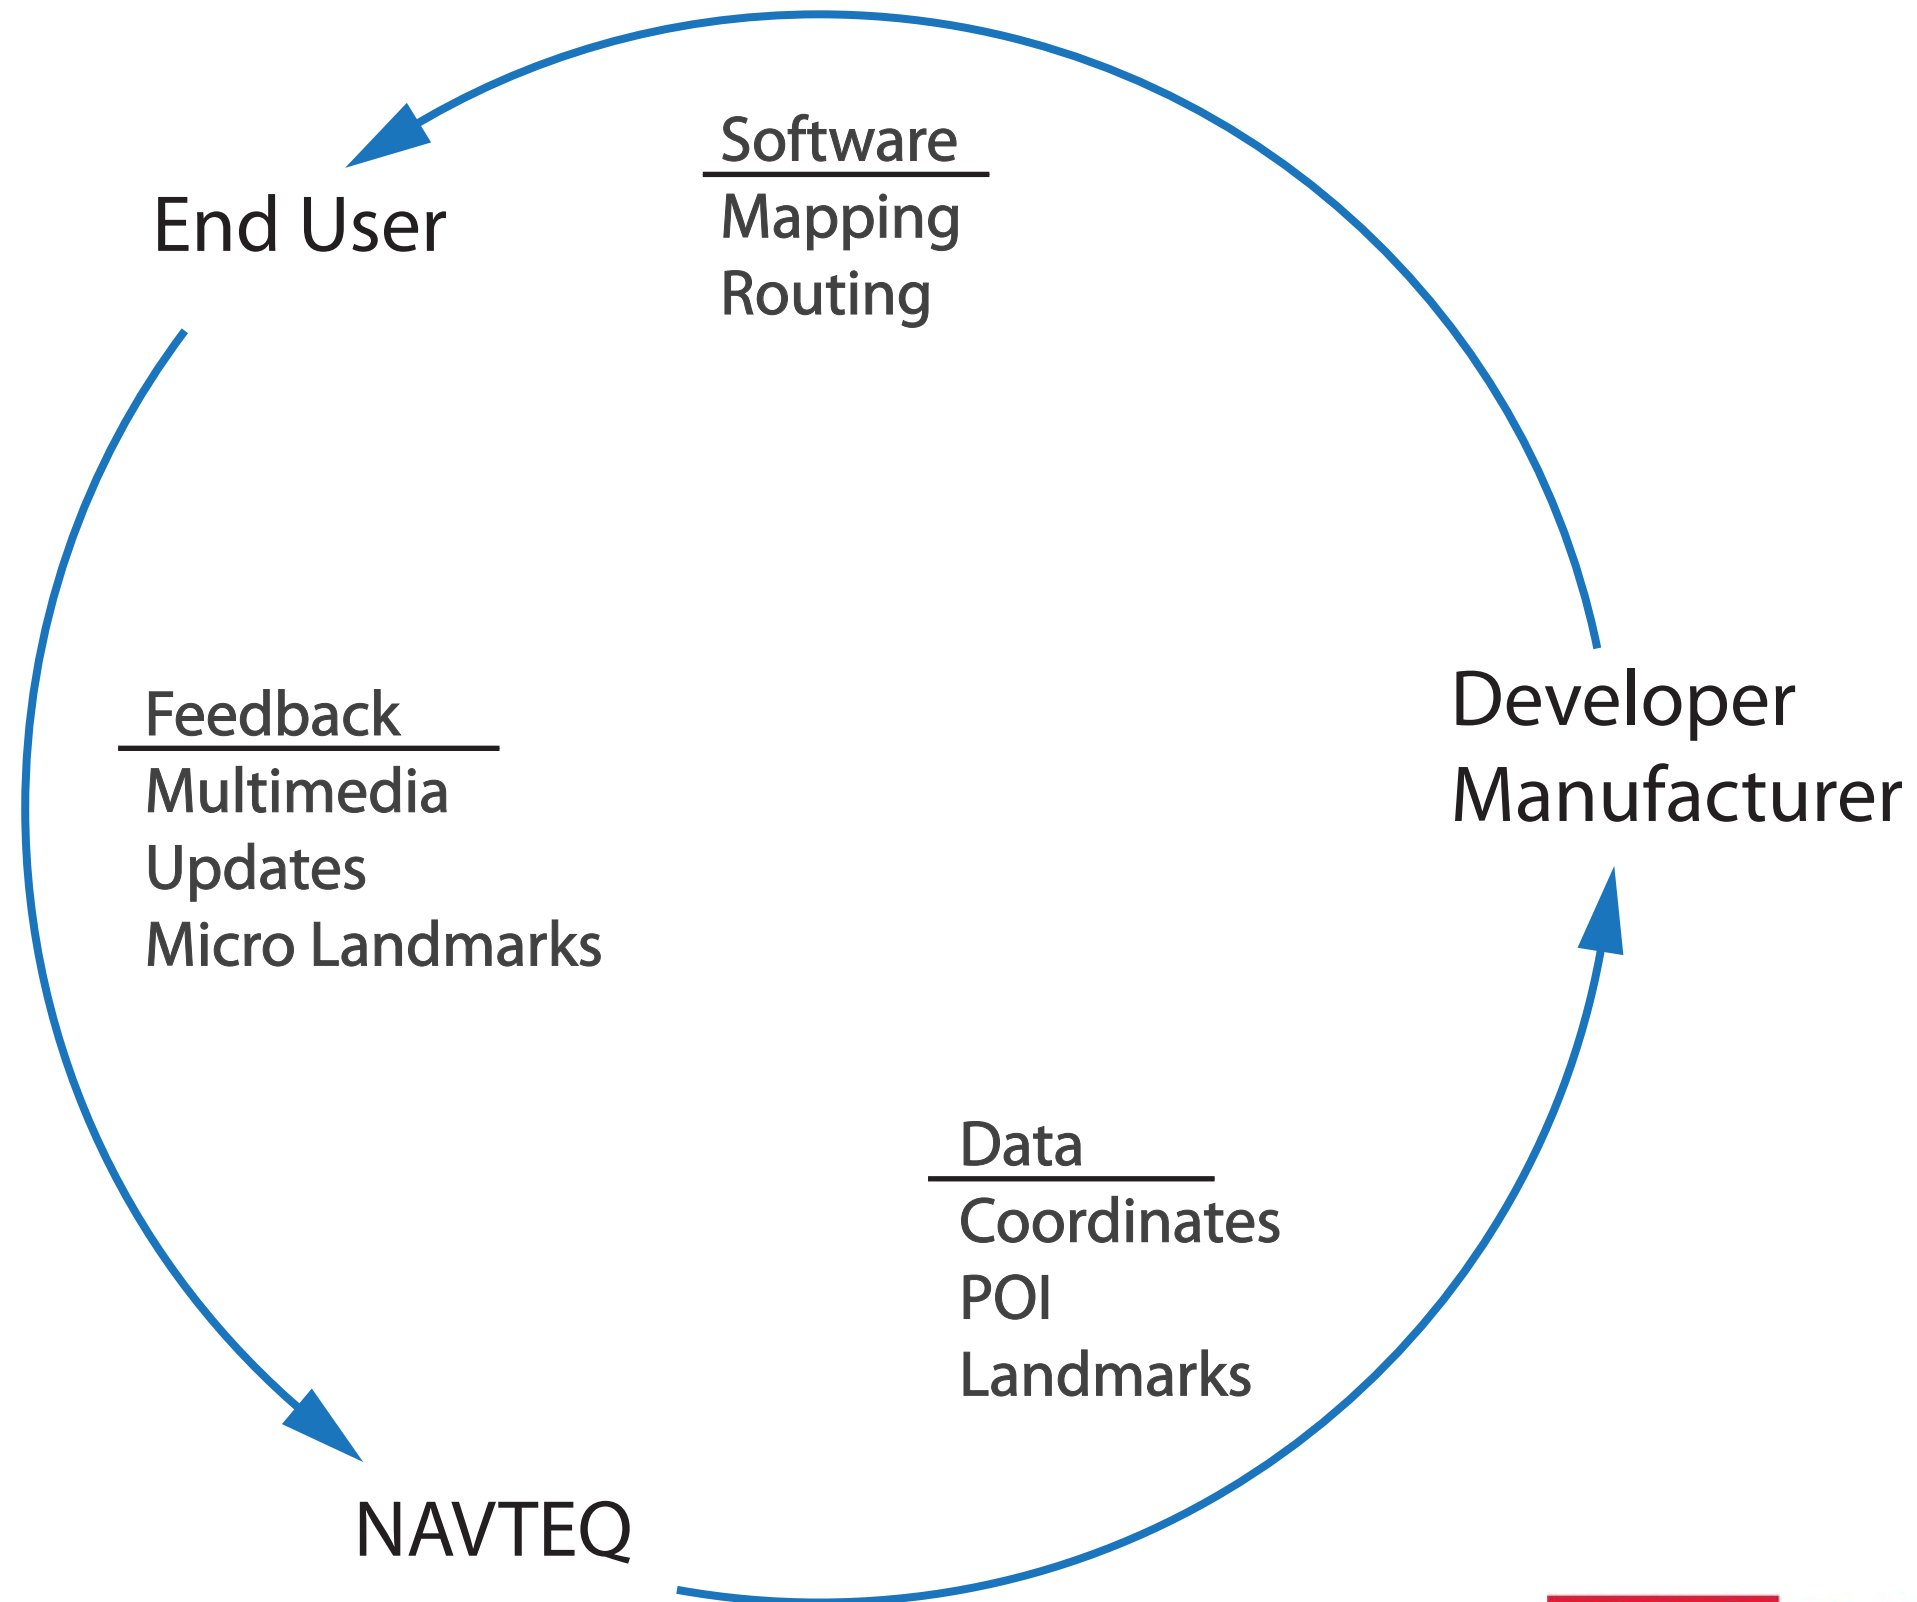

Faculty Advisers:

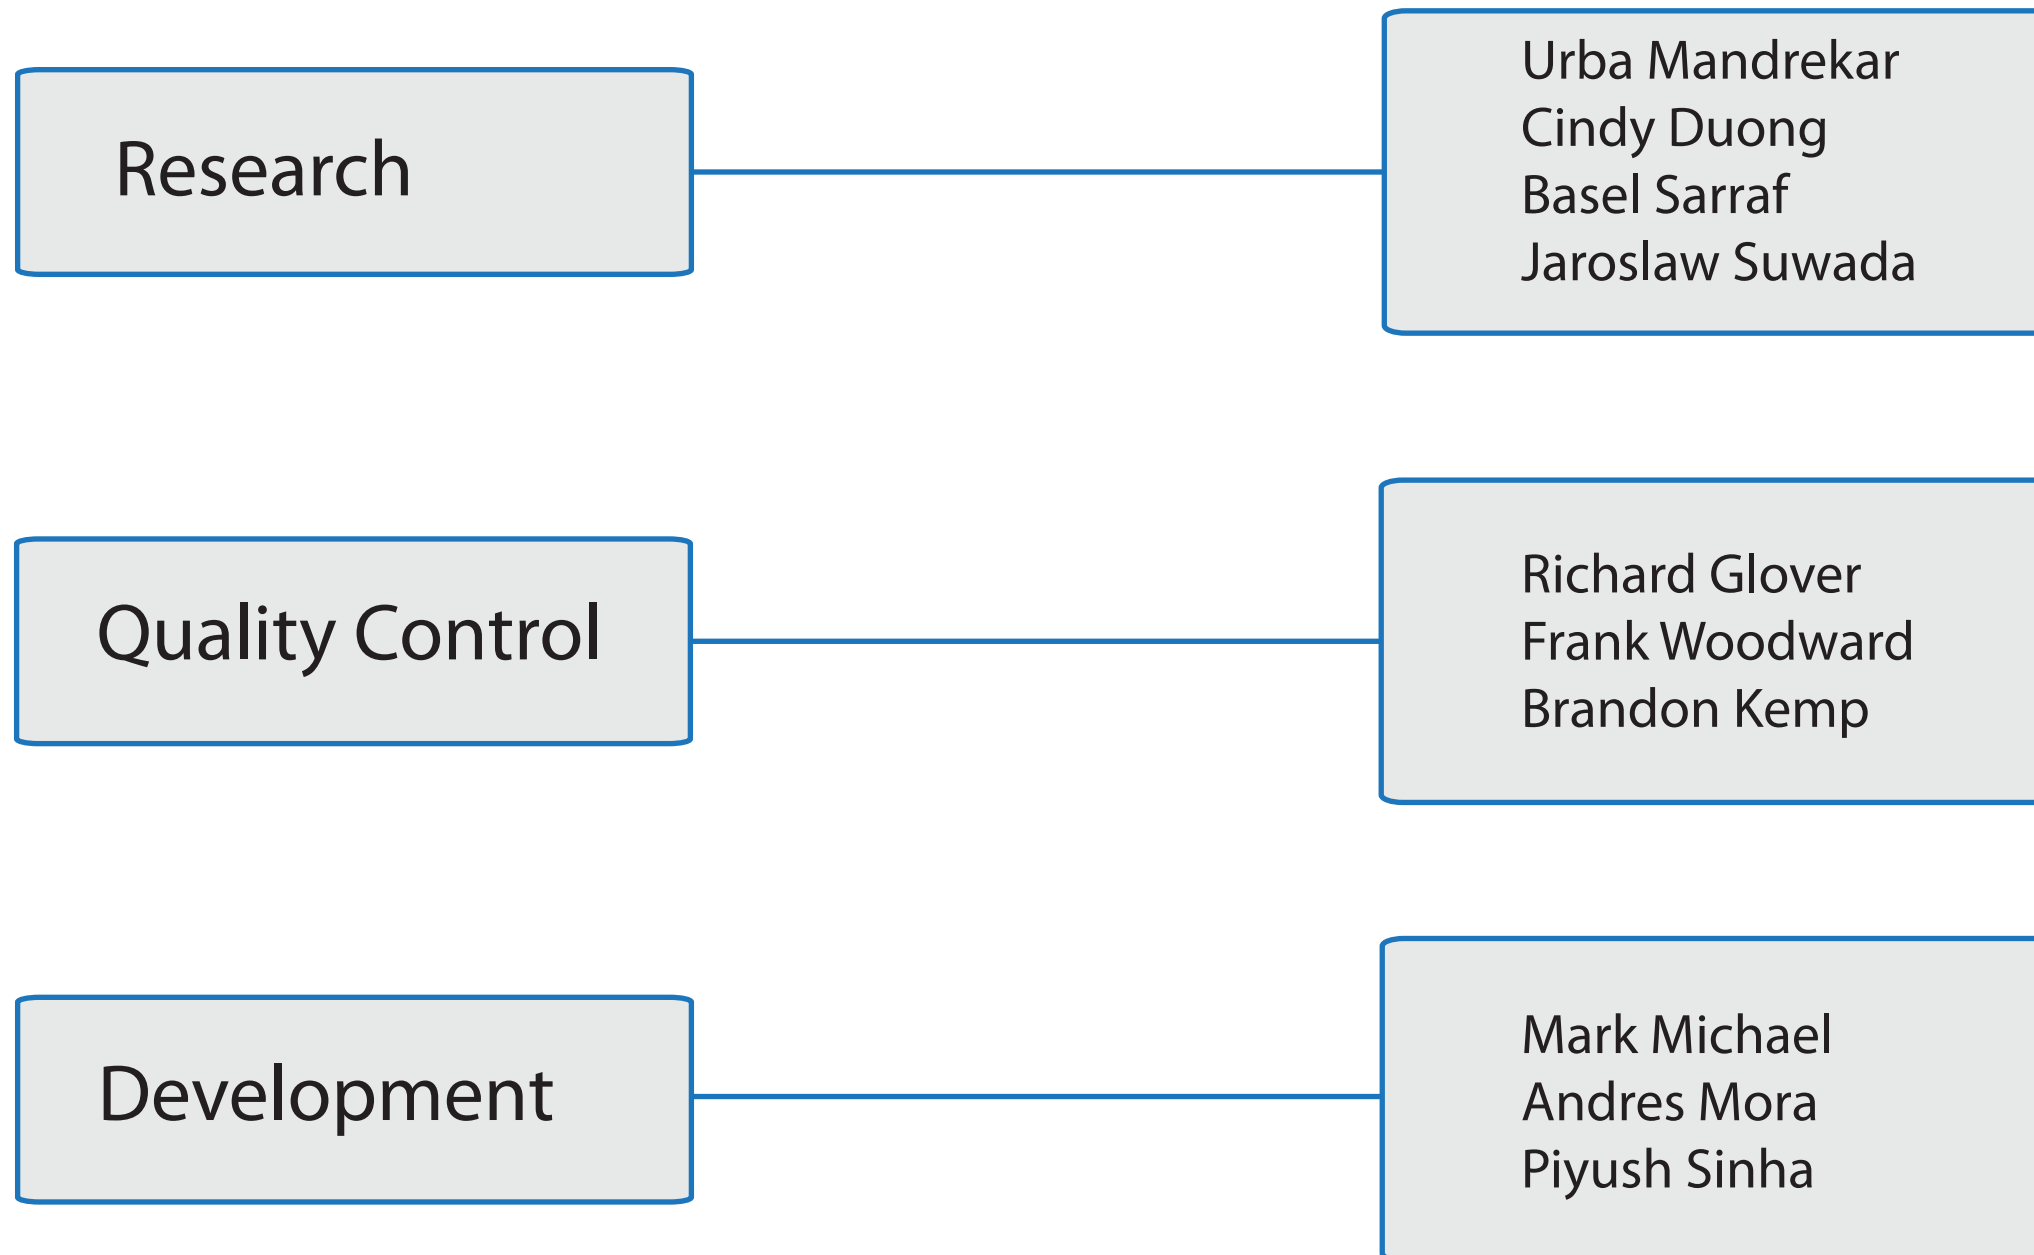

James Burstein

Limia Shunia

Opportunity

Team Organization Project Goal Project Plan Challenges to Date Challenges to Come

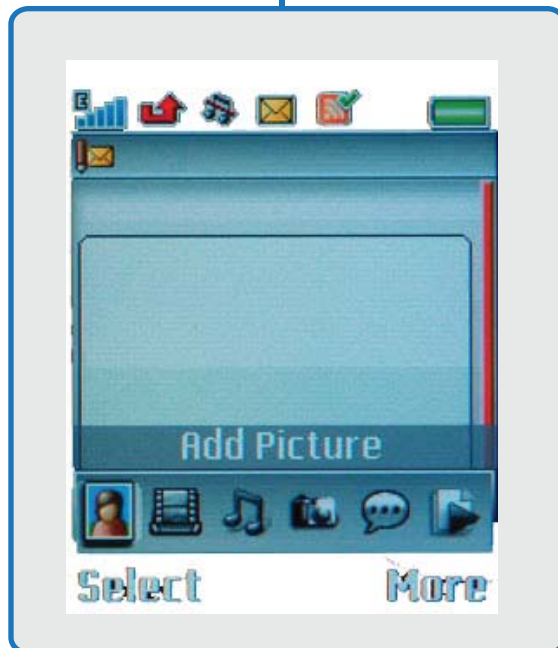

Enable Map Reporter input

In addition to updates or fixes- for example, correcting the address of a building - allow users to contribute to the map

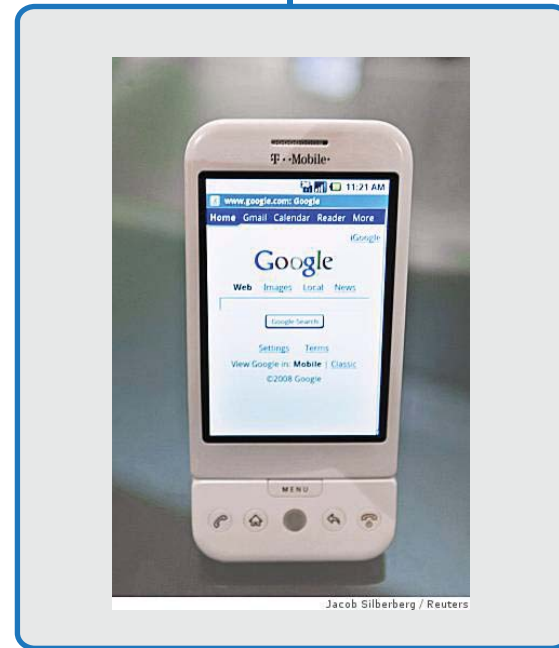

Collect Map Reports

Try to direct users to specific arrival points; instead of "Wrigley Field", direct users to the Harry Caray statue.
