

BUILDING COMMUNITIES THROUGH COFFEE

MISSION

Build a storage facility (banda) for coffee farmers in Uganda. The banda is the vehicle for improving the organization of economics, security, and organization of the farmers work. It brings together the coffee farmers as one community, benefiting the coffee farmers and lovers of the world.

OBJECTIVES

Understand Banda Needs

- Security
- Materials

Interview Farmers Abroad

Build Relationships with Farmers

Advocate C2C

CONTINGENCY PLAN

Site Survey - POSTPONE to December

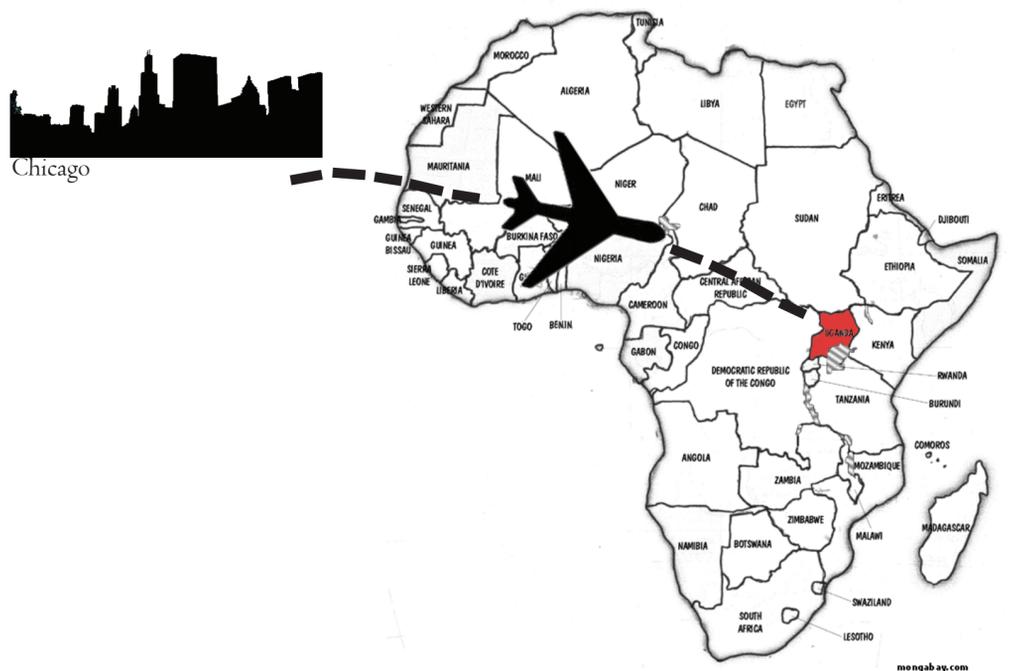

Video Conference with Farmers

Correspond with C2C about Site

Other Travel Options:

New York - Tour Crop to Cup

Costa Rica - Tour Coffee Farms
