6/1951	Numerous releases about scholarship winners for fall semester	June - Aug. 1951
6/5/1951	Armour Research Foundation to make survey of Latin American countries for Construction Materials Development	June - Aug. 1951
7/1951	Memo to editors - current issue of Industrial Research Newsletter (not attached)	June - Aug. 1951
7/1951	Proceedings of 1950 National Conference on Industrial Hydraulics published by IIT	June - Aug. 1951
7/1951	Armour Research Foundation's research suggest stronger, ice-free windshields for military airplanes a possibility	June - Aug. 1951
7/1951	Myron Lee Bender named instructor in chemistry	June - Aug. 1951
7/1951	Richard Humphreys named chairman of physics department at Armour Research Foundation	June - Aug. 1951
7/1951	Releases about extension of scholarships from Transparent Package Co. to IIT students	June - Aug. 1951
7/1951	1951 Westinghouse fellowship in power systems engineering awarded to Harry Hesse	June - Aug. 1951
7/1951	Howard Vincent awarded grant for study of English teaching in engineering colleges	June - Aug. 1951
7/1951	Instructors assigned to NROTC unit	June - Aug. 1951
7/20/1951	Boder and his assistant, Vin Rosenthal, leave for Kansas City to interview flood victims	June - Aug. 1951
7/1951	Connie Campbell, librarian of Institute of Design, wins prize for creative jewelry pieces	June - Aug. 1951
7/1951	Releases on winners of scholarships to IIT	June - Aug. 1951
7/24/1951	Noted British scientist, Harry Julius Emeleus, lectures	June - Aug. 1951
7/1951	Frederic V. Schossberger joins chemistry department of Armour Research Foundation	June - Aug. 1951

7/1951	Armour Research Foundation research teams leaves for three-month survey of South American building materials	June - Aug. 1951
7/27/1951	David Boder reports that victims of Kansas City floods are "still in a peculiar state of daze or shock."	June - Aug. 1951
8/1951	Ms. Evalyn Brinkman promoted to associate professor in home economics	June - Aug. 1951
8/1951	Armour Research Foundation and Office of International Trade announce signing of contract for technical services to facilitate the development of industry in Pakistan under President's Point IV program	June - Aug. 1951
8/1951	Economic Cooperation Administration and Bonn government to study production rates	June - Aug. 1951
8/1951	Elmer I. Fiesenheiser promoted to professor of civil engineering	June - Aug. 1951
8/3/1951	Electric service assured as result of studies completed by A-C Network Calculator	June - Aug. 1951
8/1951	Numerous release about scholarships awarded to IIT students	June - Aug. 1951
8/1951	James Thompson, chair of physics, dies August 5th of cerebral hemorrhage	June - Aug. 1951
8/1951	Harry E. Gunning promoted to associate professor of chemistry	June - Aug. 1951
8/1951	Col. Edward C. Greene, Jr., named professor of air science and tactics at Air Force ROTC	June - Aug. 1951
8/9/1951	Misch Kohn promoted to assistant professor at Institute of Design	June - Aug. 1951
8/1951	Capt. George Gale assigned as instructor to Air Force ROTC unit	June - Aug. 1951
8/1951	Siu S. Shu promoted to associate professor of mathematics	June - Aug. 1951
8/1951	Eugene Dana promoted to assistant professor in Institute of Design	June - Aug. 1951
8/1951	During July, average of 43.69 tons of dust fell on every square mile within Chicago's limits	June - Aug. 1951
8/14/1951	Sidney I. Miller appointed instructor in chemistry	June - Aug. 1951
8/1951	Kansas assured of low-cost and better electrical service as result of studies completed	June - Aug. 1951
8/1951	Lucio F. Mondolfo promoted to professor of metallurgical engineering	June - Aug. 1951
8/1951	Paul B. W. Gollong joins international division of Armour Research Foundation	June - Aug. 1951
8/17/1951	Speakers for 2nd annual National Noise Abatement Symposium at Armour Research Foundation announced	June - Aug. 1951
8/1951	Maurice D. Kilbridge promoted to assistant professor in industrial engineering	June - Aug. 1951
8/1951	Eli Sternberg promoted to professor of mechanics	June - Aug. 1951
8/1951	Fred L. Morritz awarded fellowship in chemistry	June - Aug. 1951

8/20/1951	Donald W. Smithburg promoted to associate professor of political science	June - Aug. 1951
8/1951	Norman Gjostein awarded scholarship by Evans Scholars Foundation	June - Aug. 1951
8/1951	Fall semester registration for day and evening classes held Sept 17	June - Aug. 1951
8/1951	Kenneth P. Milbradt promoted to assistant professor in civil engineering	June - Aug. 1951
8/1951	Erwin O. Freund scholarship in chemistry at ITT awarded to Morton J. Klein	June - Aug. 1951
8/1951	Address by CBS president, Adrian Murphy, highlights National Electronics Conference	June - Aug. 1951
8/1951	160 officers of U.S. Coast Guard to take course in fire protection engineering	June - Aug. 1951
8/1951	George I. Cohn promoted to associate professor of electrical engineering	June - Aug. 1951
8/1951	Mentor Williams appointed acting chair of language, literature and philosophy	June - Aug. 1951
8/23/1951	Captain James M. Hamilton appointed assistant professor in Air Force ROTC unit	June - Aug. 1951
8/1951	Marion H. Graves appointed assistant to dean of graduate school	June - Aug. 1951
8/24/1951	Paul L. Copeland appointed acting chairman of physics department	June - Aug. 1951
8/1951	Freund Instrumentation Laboratory dedicated September 28th	June - Aug. 1951
8/1951	Funeral services held for Edwin S. Libby, on staff for forty years	June - Aug. 1951
8/27/1951	William Krathwohl speaks to national convention of American Psychological Association	June - Aug. 1951
8/1951	Erwin O. Freund scholarship awarded to Charles Arends	June - Aug. 1951
8/28/1951	Richard Carrigan appointed supervisor of analytical chemistry section at Armour Research Foundation	June - Aug. 1951
8/1951	Armour Research Foundation scientists working to find out how much of trace elements in various grades of beef	June - Aug. 1951
8/30/1951	Seven students of photography department of Institute of Design win 11 awards in photographic competition	June - Aug. 1951
8/1951	Armour Research Foundation signs five-year lease for two-story Irwin building at 3201 S. Michigan Ave.	June - Aug. 1951
8/1951	Marvin E. Newman wins first place award in photographic competition	June - Aug. 1951
8/1951	Memo to Editors - here is current issue of Industrial Research (not attached)	June - Aug. 1951
8/1951	Advance program for National Electronics Conference and Exhibition	June - Aug. 1951
9/1951	Air Force officers serve three-week laboratory apprenticeship at Armour Research Foundation	Sept. - Oct. 1951

9/4/1951	Institute for Psychological Services moves from 18 S. Michigan Ave. to 3329 Federal St.	Sept. - Oct. 1951
9/1951	Seven recent graduates accept industrial research fellowships at Armour Research Foundation	Sept. - Oct. 1951
9/1951	Numerous releases about individual winners of fellowships	Sept. - Oct. 1951
9/5/1951	Up-to-date fact sheet on Armour Research Foundation	Sept. - Oct. 1951
9/1951	Releases about individual winners of fellowships	Sept. - Oct. 1951

01/1961	IIT has received a grant from the Office of Ordnance Research, U.S. Army	Jan. - June 1961
01/1961	You can bank on it, a lecture series will be presented	Jan. - June 1961
01/1961	Gwendolyn Brooks will be featured guest on the television program, "The American Scene: Viewing the Arts"	Jan. - June 1961
01/1961	Robert W. Blodgett has been promoted to assistant business manager at IIT	Jan. - June 1961
01/1961	A new welding process has been developed by research metallurgists at IIT	Jan. - June 1961
01/1961	The U. S. Air Force ROTC national advisory board is currently studying four year AFROTC course in two years according to Lt. Col Witold B. Monkiewicz	Jan. - June 1961
01/1961	New graduate course in Astrodynamics will be offered by IIT	Jan. - June 1961
01/1961	New graduate courses on the fundamentals of fire protection will be offered	Jan. - June 1961
01/1961	First Chicago showing of a new movie will be featured during 15th annual alumni family sports dinner	Jan. - June 1961
01/1961	Registration for the spring semester at IIT will begin Feb. 3	Jan. - June 1961
01/1961	Metallurgist at IIT have developed a new brazing process	Jan. - June 1961
02/1961	Six Chicago area schools have agreed to join in an unnamed conference	Jan. - June 1961
02/1961	IIT is offering its fifth annual summer school in X-ray diffraction analysis	Jan. - June 1961
02/1961	Richard F. Humphreys has been appointed as the president of The Cooper Union for the Advancement of Science and Art	Jan. - June 1961
02/1961	An informal reception to meet president of IIT and president of Alumni Association will begin mid-year	Jan. - June 1961

02/1961	The City in Crisis will be the topic of Scott Greer at a meeting of the IIT Woman's Club	Jan. - June 1961
02/1961	Haldon A. Leedy talks about the relationship between freight and new plant locations	Jan. - June 1961
02/1961	Three IIT scientists will deliver papers in the 16th Annual Exhibit and Conference of the Reinforced Plastics	Jan. - June 1961
02/1961	New courses added to the curriculum at IIT	Jan. - June 1961
02/1961	Paul R. Unger has been appointed general chairman of the 1961 Illinois Institute of Technology alumni fund	Jan. - June 1961
02/1961	Major evaluations of the organic semiconductor field will be outlined at a two-day conference	Jan. - June 1961
02/1961	Lack of research is threat to the growth of Chicago was opined by Nicholas A. Weil	Jan. - June 1961
02/1961	John T. Rettaliata has been named as the "Outstanding Engineer of 1960"	Jan. - June 1961
02/1961	Sidney W. Kash has been appointed as the supervisor of the plasma and electron section in physics research	Jan. - June 1961
02/1961	Average total dust fall for Chicago during Jan was 43.9 tons per square mile	Jan. - June 1961
02/1961	Thirty persons attended The Air Force Contractors' Symposium on Hypofluorite Chemistry	Jan. - June 1961
02/1961	Composite for use in high temperature has been developed at IIT	Jan. - June 1961
02/1961	Service industries may prove to be the economic trigger of the 1960's was said by George Philips	Jan. - June 1961
02/1961	John T. Rettaliata recommended that an authoritative planning study be made before relocating the Food and Container Institute	Jan. - June 1961
02/1961	Special summer session course designed primarily to serve members of the oil hydraulics industry will be offered	Jan. - June 1961
03/1961	William R. Dunbar has been appointed manager of new student union [Hermann Hall]	Jan. - June 1961
03/1961	Stanley I. Cohn has been appointed chairman of the Radio Frequency Interference Committee	Jan. - June 1961
03/1961	Marvel W. Scheldorf has been appointed senior engineer	Jan. - June 1961
03/1961	Mrs. Jeanne Krogman will present a dramatic program	Jan. - June 1961
03/1961	Folksinger Bob Gibson present a concert in the IIT student union	Jan. - June 1961
03/1961	Four electronics research engineers from IIT will present technical papers	Jan. - June 1961
03/1961	Three annual scholarships drawn from a memorial scholarship fund are being offered at IIT	Jan. - June 1961
03/1961	A total of 6,667 students are enrolled at IIT for spring semester	Jan. - June 1961
03/1961	Guard John Bagley has been selected "most valuable player" by his teammates	Jan. - June 1961

03/1961	Average dust fall for the Chicago area during February was 55.5 tons per square mile	Jan. - June 1961
03/1961	Americans are not carefree in their spending as they pretend according to John K. Diederichs	Jan. - June 1961
03/1961	IIT has been awarded a grant from the National Science Foundation for the support of a mathematics institute	Jan. - June 1961
03/1961	Alexander E. Vajda has joined Armour Research Foundation as a group leader of polymer research	Jan. - June 1961
03/1961	Two microbiologists from Armour Research Foundation will present a technical paper	Jan. - June 1961
03/1961	Norman F. Ramsey will be a guest speaker at a meeting of the IIT chapter of the Society of the Sigma XI	Jan. - June 1961
03/1961	Aid in choosing career will be given to students at the 13th annual Chicago area Career Conference at IIT	Jan. - June 1961
03/21/1961	Ludwig Mies van der Rohe discussed his early formative years in a radio series	Jan. - June 1961
03/1961	Lawrence G. Smith has been awarded a Woodrow Wilson graduate fellowship	Jan. - June 1961
03/1961	Four new faculty members have been added to the staff	Jan. - June 1961
03/1961	Publications of a key reference book for metallurgists has been scheduled by IIT	Jan. - June 1961
03/1961	A contract for conducting a series of research management seminars in Japan has been awarded to IIT	Jan. - June 1961
03/1961	A prediction that banks will take over the accounting tasks of industrial firms and become the financial hubs for them was made	Jan. - June 1961
03/1961	Virgil H. Disney was presented an honor award for Distinguished Service in Engineering	Jan. - June 1961
03/1961	Three Space experts will answer, "How is the U.S. meeting the challenge of the space age?"	Jan. - June 1961
03/1961	Leslie R. Hedrick talks about the waters of the Lake Michigan	Jan. - June 1961
03/1961	The Fifth Annual Fluctuations in Solids Symposium will be held at IIT	Jan. - June 1961
04/1961	A talk by Miss Edith Weigle will highlight meeting of the IIT Woman's Club	Jan. - June 1961
04/1961	Five-volume handbook of Thermo-physical properties of Solid Materials has been completed by IIT and is being issued	Jan. - June 1961
04/1961	The Alumni Association will launch its 1961 fund drive with the annual spring Kick-Off Dinner	Jan. - June 1961
04/1961	J. William Hasskarl will speak at Alumni Association's monthly luncheon	Jan. - June 1961
04/1961	Leaders in science and business fields will address at the 13th annual Chicago area Career Conference	Jan. - June 1961
04/1961	New method of "balancing" has been developed by IIT	Jan. - June 1961
04/1961	Facts about organic semiconductors	Jan. - June 1961

04/1961	25 years of scientific research for industry and government was celebrated	Jan. - June 1961
04/1961	Clerio Uguccioni has been named director of the Corporate-Alumnus Division	Jan. - June 1961
04/1961	Answers to the questions regarding organic semiconductors	Jan. - June 1961
04/1961	IIT will host the sixth annual metals research seminar of the American society for Metals	Jan. - June 1961
04/1961	Hans Thirring will speak on "Space Conquest-A Blind Alley"	Jan. - June 1961
04/1961	IIT has been awarded a \$60,000 National Science Foundation grant	Jan. - June 1961
04/1961	Basketball team and two of its players are among the nation's college division leaders	Jan. - June 1961
04/1961	A "Fashion in the Gallery" show will highlight the annual spring benefit of the IIT Woman's Club	Jan. - June 1961
05/1961	Greek Week at IIT	Jan. - June 1961
05/1961	IIT has been awarded a Ford Foundation grant of \$50,000	Jan. - June 1961
05/1961	More than 100 high school students were presented awards at IIT	Jan. - June 1961
05/1961	The annual spring luncheon of the IIT Woman's Club will be held at Jacque's French restaurant	Jan. - June 1961
05/1961	James L Wyatt has been named vice president for program development at the IT	Jan. - June 1961
05/1961	A \$2 million contract has been awarded to IIT for technical support	Jan. - June 1961
05/1961	Memorandum to editors	Jan. - June 1961
05/1961	IIT received one of the largest National Science Foundation grants ever awarded	Jan. - June 1961
05/1961	IIT staff and students will see various performances at the final IIT Student Union Board Concert	Jan. - June 1961
05/1961	IIT to host Chicago land baseball tournament	Jan. - June 1961
05/1961	Lowest April average total dust fall reading thus far for Chicago	Jan. - June 1961
05/1961	A newly equipped \$30,000 hydraulics laboratory to be used in fire protection training will be opened at IIT	Jan. - June 1961
05/1961	William A. Lewis has been chosen by the IIT chapter of the Society of the Sigma XI to deliver the lecture	Jan. - June 1961
05/1961	The 1961 Applied Mechanics Conference will be held on the IIT campus	Jan. - June 1961
05/1961	Officials of 1961 Applied Mechanics Conference have announced nominal fee for dormitories to encourage students from outside Chicago area to join it	Jan. - June 1961
05/1961	Versatility and Reliability of Fluid Power will be the theme of the 1961 Applied Mechanics Conference	Jan. - June 1961
05/1961	Lloyd S. Michael will address the IIT graduating class	Jan. - June 1961
05/1961	News release about various conferences being held at IIT	Jan. - June 1961

06/1961	New full tuition one year scholarships are being offered to freshmen	Jan. - June 1961
06/1961	Three supervisors of chemistry research were named at IIT	Jan. - June 1961
06/1961	Captains in baseball, tennis and track at IIT have been announced	Jan. - June 1961
06/1961	Accomplishments of the Armour Research Foundation	Jan. - June 1961
06/1961	Grant Hintz was recently named most valuable player on the 1961 IIT baseball squad	Jan. - June 1961
06/1961	Howard P. Vincent has been awarded Fulbright Travel Grant to lecture in Belgium	Jan. - June 1961
06/1961	The Wright Aeronautics Division became the newest member of a team of nationally-known industrial firms	Jan. - June 1961
06/1961	Edward L. Hiltz was recently appointed supervisor of publications at IIT	Jan. - June 1961
06/1961	Myron T. Noar was appointed as Supervisor of Press Relations for the IIT	Jan. - June 1961
06/1961	A \$65,000 contract for scientific research institute in Afghanistan was awarded to the IIT	Jan. - June 1961
06/1961	Accurate determination of weather variables up to 25 miles away is now possible according to IIT scientist	Jan. - June 1961
06/1961	Letter awards in baseball, track, tennis, gold and bowling at IIT have been announced	Jan. - June 1961
06/1961	Special to the IRE Frequency Interference Symposium	Jan. - June 1961
06/1961	Studies of lunar surface and soil conditions are made by the scientists	Jan. - June 1961
06/1961	Institute of Gas Technology director named IIT academic vice president	Jan. - June 1961
06/1961	Haldon A. Leedy has been elected as a Fellow of the American Association for the Advancement of Science	Jan. - June 1961
06/1961	The second lowest May recorded thus far in average total dust fall for the Chicago area	Jan. - June 1961
06/1961	A contract to establish and develop applied industrial research in the Philippines has been awarded to IIT	Jan. - June 1961
06/1961	Two supervisors of electronics research were named at IIT	Jan. - June 1961
06/1961	James J. Brophy was appointed as the director of Technical Development	Jan. - June 1961
06/1961	Air pollution experts from IIT are headed for Lima, Peru on a special mission	Jan. - June 1961
06/1961	Poor man's guidance system	Jan. - June 1961
06/1961	Session chairmen for the 1961 Computer Applications Symposium have been announced	Jan. - June 1961
07/1961	Groundbreaking ceremonies at 33rd and Dearborn Sts. will take place [Crerar / Kemper / Galvin library building]	July - Dec. 1961
07/1961	IIT has been awarded a \$40,000 Esso Education Foundation grant	July - Dec. 1961
07/1961	1961 engineering graduates from IIT received an all-time high in average beginning salaries	July - Dec. 1961

07/1961	95 high school teachers are currently studying mathematics and physics in summer course of study at IIT	July - Dec. 1961
07/1961	One of the teacher is supported through National Science Foundation grant	July - Dec. 1961
07/1961	Mechanical olive harvester is being developed by the IIT	July - Dec. 1961
07/1961	A pair of nuclear scientists from the IIT were named committee chairmen for the 1961 national winter meeting of the American Nuclear Society	July - Dec. 1961
07/1961	IIT has received an institutional grant of \$4,497 from the National Science Foundation	July - Dec. 1961
07/1961	Requirements and problems pertaining to the Department of Defense Electromagnetic Compatibility program will be topics on program	July - Dec. 1961
08/1961	Simon will be featured luncheon speakers at the 1961 Computer Applications Symposium	July - Dec. 1961
08/1961	John M. Neff has been appointed to the Materials Advisory Board of the National Academy of Sciences	July - Dec. 1961
08/1961	A sharp increase in dust fall in the Loop for June this year	July - Dec. 1961
08/1961	Major General John B. Medaris will be banquet speaker at the New Trends in Chemistry Conference	July - Dec. 1961
08/1961	Representatives from many of the nation's top industries will meet in Chicago to attend a series of Seminars on Assembly Line Problems at IIT	July - Dec. 1961
08/1961	Chicago scientists cited increasing U.S. production through more efficient assembly line balancing	July - Dec. 1961
08/1961	Thomas E. Hogan has been named Dean of Students at IIT	July - Dec. 1961
08/1961	30 U.S. and Canadian college engineering teachers are attending IIT summer institute on mechanics	July - Dec. 1961
08/1961	Major General John B. Medaris will speak at the banquet of the New Trends in Chemistry Conference	July - Dec. 1961
08/1961	New Air Force communications interference measuring satellite contract to Armour Research Foundation	July - Dec. 1961
08/1961	1961 Computer Applications Symposium Program	July - Dec. 1961
08/1961	William R. Hiebel has been appointed an instructor of English in the IIT	July - Dec. 1961
08/1961	Registration for the fall semester at IIT will begin September 11	July - Dec. 1961
08/1961	High temp solar cell being developed	July - Dec. 1961
08/1961	Second lowest July dust fall reported	July - Dec. 1961
09/1961	New fuel cell developed by IIT	July - Dec. 1961
09/1961	Two outstanding representatives of the business world will be luncheon speakers at the 17th annual National Conference on Industrial Hydraulics	July - Dec. 1961
09/1961	Alvin Lieberman speaks about the white room facilities	July - Dec. 1961
09/1961	Lawrence M. Graves has been appointed visiting professor of mathematics at IIT	July - Dec. 1961
09/1961	Memorandum to science editors and writers	July - Dec. 1961

09/1961	Walter S. Fagan has been named a lecturer in chemical engineering at IIT	July - Dec. 1961
09/1961	Kenneth V. Hennigner has been appointed as Admission Counselor at IIT	July - Dec. 1961
09/1961	Max R. Schroyer will be the main speaker at the annual Kick-Off Dinner of the IIT alumni fund drive	July - Dec. 1961
09/1961	August dust fall record low	July - Dec. 1961
10/4/1961	Space age fuel power was used today to signify the opening of a new \$3.7 million chemistry research building	July - Dec. 1961
10/4/1961	New \$3.7 million Chemistry Research and Mechanics Engineering Research Building at IIT was dedicated	July - Dec. 1961
10/1961	Haldon A. Leedy Said that the America's independent research organizations are contributing significantly to this country's technological leadership	July - Dec. 1961
10/1961	Leon Wester has been named as the adjunct assistant professor of industrial engineering at IIT	July - Dec. 1961
10/1961	National Conference on Industrial Hydraulics at Chicago	July - Dec. 1961
10/1961	All of Illinois Tech's departments and laboratories will be open for inspection	July - Dec. 1961
10/1961	Total engineering enrollments in the nation's colleges and universities continued to decline for the third straight year	July - Dec. 1961
10/1961	City dust fall rises for September	July - Dec. 1961
10/1961	Computer offers new hopes in diagnostics	July - Dec. 1961
10/1961	An automated "teaching machine" may become the electronic school marm of the future according to a California research scientist	July - Dec. 1961
10/1961	Highly efficient fuel cell has been developed by the IIT	July - Dec. 1961
10/1961	Raymond D. Mindlin was named the colloquium speaker	July - Dec. 1961
10/1961	Envisions man machine communication	July - Dec. 1961
10/1961	Illinois Tech basketball schedule	July - Dec. 1961
10/1961	Renowned scientist from the world over will present technical papers at the first International Symposium on photo elasticity	July - Dec. 1961
10/1961	Growing problems of electromagnetic interference will be a major topic of discussion at a joint military-industry meeting	July - Dec. 1961
10/1961	Max M. Frocht said that few science graduate students enter the research field due to the dependence upon mathematics and theoretical methods	July - Dec. 1961
10/1961	Haldon A. Leedy talks about the growing trend toward multi-company cooperative research	July - Dec. 1961
11/1961	Kappa Phi Delta Sorority and Phi Kappa Sigma Fraternity are presenting the annual "Toy Harvest" Dance	July - Dec. 1961
11/1961	IIT goes native for "I-Ball"	July - Dec. 1961
11/1961	IIT awarded math grant	July - Dec. 1961

11/1961	Raymond C. Barrall said that the nuclear age is safer than the fabled world of the Mad Hatter	July - Dec. 1961
11/1961	Three faculty added to Chemistry department	July - Dec. 1961
11/1961	Marshall M. Sluyter has been named an instructor at IIT	July - Dec. 1961
11/1961	Engineering colleges and universities should be located in large cities than in rural area according to John T. Rettaliata	July - Dec. 1961
11/1961	Stephen Szepe has been appointed as an instructor of chemical engineering	July - Dec. 1961
11/1961	Lake swimmer Ted Erikson trains for channel swim	July - Dec. 1961
11/1961	Harold I. Pratt has been appointed acting director of cooperative education at IIT	July - Dec. 1961
11/1961	Five new faculty members have been appointed to IIT	July - Dec. 1961
11/1961	October total dust fall averages increases	July - Dec. 1961
11/1961	Improved welding techniques will highlight the program of the 8th Annual Midwest Welding Conference	July - Dec. 1961
11/1961	Program of the 8th Annual Midwest Welding Conference	July - Dec. 1961
11/1961	A session devoted to operation experience in the Dresden Nuclear Power Plant will highlight the 1962 American Power Conference	July - Dec. 1961
11/1961	The Illinois Tech cagers will begin 1961-62 season (basketball)	July - Dec. 1961
11/1961	Survey of attitude toward fallout shelters and the state of present world conditions	July - Dec. 1961
11/1961	A full-fledged dramatic program is in progress at IIT for the first time	July - Dec. 1961
12/1961	Tomorrow's Manufacturing Methods Today - the apt long range program	July - Dec. 1961
12/1961	Plans for a coordinated \$1.25 million construction research program were released	July - Dec. 1961
12/1961	A Chicago research organization was named today by the Aerospace Industries Association	July - Dec. 1961
12/1961	Common household products would not have been possible without research according to a scientist	July - Dec. 1961
12/1961	New gage developed for shock tube studies indicate ionization effects major factor in reentry heating	July - Dec. 1961
12/1961	A \$44,400 grant has been awarded to the IIT by the National Science Foundation	July - Dec. 1961
12/1961	Long range plans to effect sophistication of a method of automatically controlling machine tools were revealed	July - Dec. 1961
12/1961	Archibald McKinlay Jr. was appointed as the public relations director of Technology Center	July - Dec. 1961
12/1961	Improved protective football equipment will be designed by the Armour Research Foundation	July - Dec. 1961
12/8/196	Lester Armour has been elected chairman of the Board of Trustees	July - Dec. 1961

12/1961	Over 11,000 high school students are expected to take part in the 12th annual Chicagoland High School Drafting Competition sponsored by IIT	July - Dec. 1961
12/1961	James Dalton Cunningham will be honored at a formal dinner upon his retirement	July - Dec. 1961
12/1961	Development of new low cost, lightweight building material was announced by Armour Research Foundation of the IIT	July - Dec. 1961
12/1961	\$50 million redevelopment announced by IIT	July - Dec. 1961
12/1961	Investors are keeping abreast of scientific developments in industry through a unique service offered by IIT	July - Dec. 1961
12/1961	C Fred Gurnham has been appointed to the position of professor of Civil Engineering and Chemical Engineering at IIT	July - Dec. 1961
12/1961	Increasing number of fire and electrical hazards in the home during Christmas according to the fire protection engineering department	July - Dec. 1961
12/1961	Sharp rise in November dust fall cited	July - Dec. 1961
12/1961	Cagers undefeated with 4-0 record this season (basketball)	July - Dec. 1961
12/1961	Basics research on shell structures will be conducted at IIT	July - Dec. 1961
1/1962	Two one-week sessions in x-ray diffraction analysis conducted by IIT	Jan. - June 1962
1/1962	Jay Bland presents welding views at Midwest welding Conference	Jan. - June 1962
1/1962	Armour Research Foundation introduces new scientific approach for investment in new products	Jan. - June 1962
1/1962	Armour Research Foundation opens New York office	Jan. - June 1962
1/1962	Rettaliata addresses leading industrialists at Employment conference	Jan. - June 1962
1/1962	James Lincoln address Midwest Welding Conference	Jan. - June 1962
1/1962	December 1961 was dustiest December in fourteen years	Jan. - June 1962
1/1962	US Senator Everett Dirksen tapped as commencement speaker	Jan. - June 1962
1/1962	NSF's \$41,000 grant allows IIT to offer summer science course	Jan. - June 1962
1/1962	15th annual alumni sport's dinner features Gordon Gould and Ted Erikson	Jan. - June 1962
1/1962	Basketball team meets university of Chicago	Jan. - June 1962
1/1962	President's reception begins mid-year orientation activities	Jan. - June 1962
1/1962	IIT offers course on new insights into consumer behavior	Jan. - June 1962
1/1962	Registration for spring semester begins February 2nd	Jan. - June 1962
1/1962	George Philips named director of Management Research Division of Armour Research Foundation	Jan. - June 1962
2/1962	Rettaliata announces Ford Foundation grant for "forgivable" loans	Jan. - June 1962

2/1962	1962 College Conference on united nations held at IIT	Jan. - June 1962
2/1962	American power Conference looks at manpower problems in electric power industry	Jan. - June 1962
2/1962	Pianist Roger Williams holds concert at IIT	Jan. - June 1962
2/1962	January 1962's dustfall drops	Jan. - June 1962
2/1962	James Flood named general chairman of 1962 Alumni Fund	Jan. - June 1962
2/1962	Advanced Program for 1962 American Power Conference	Jan. - June 1962
3/1962	\$38,700 NSF Grant sends thirty to advanced institute in Kinematics of Mechanics	Jan. - June 1962
3/1962	Martin A. Elliot cites importance of scientific and technical education	Jan. - June 1962
3/1962	6,439 students enroll at IIT for spring semester	Jan. - June 1962
3/1962	Nearly 2000 to attend Chicago Area Career Conference	Jan. - June 1962
3/1962	Arnie F. Betts named associate director of development at IIT	Jan. - June 1962
