A person wearing a yellow t-shirt and blue jeans is working on a small-scale bridge model. They are positioned behind a black metal frame that supports the model. The person's hands are visible, adjusting the model. A white sign with the number 227 is attached to the frame. The background shows a dimly lit room with other people and structures.

242

A woman with dark hair and bangs, wearing a dark jacket and a necklace, is looking up at a display case. The display case is made of dark material with a glass front. Inside the case, there is a small model of a bridge or structure. A large white sign with the number 243 is attached to the front of the case. The background is dark and indistinct.
